TEAM MEMBER PRICING

Pricing is defined by the number of full Dynamics 365 users licensed for our products. That total determines the appropriate Team-Member pricing we can provide to you. The tiers are outlined in the table below.

Team Member Price Package (10 team members per package)

Packages	Monthly billing cycle	Annual billing cycle
XS - Small (1 – 30 users)	€ 8,00	€ 80
Medium (31 – 80 users)	€ 4,50	€ 45
L (80 – 140 users)	€ 4,00	€ 40
XL (> 141 users)	€ 3,00	€ 30

Example: 70 full users and 320 team members

The 70 full users require a full license of our product defining the team member price to be:

€ 4,50 paid month to month OR € 45 if paid annually for a package of 10 team members.

In order to cover 320 team members, you will need 32 packages giving a total of:

$32 \times 4,50 = € 144$ paid month to month OR $32 \times 45 = € 1.440$ if paid annually
