The benefits & usage of AppSource

The Dynamics 365 marketplace

Benefits:

Find the solutions and enhancements based on products you already have

- Setup Free Trials in minutes
- Completely Integrated into Dynamics 365 portal (home.dynamics.com) & In-App experience
- Certified products: Managed solutions tested and verified by Microsoft

Our Addons

- All solutions listed on AppSource
- Easy Installation & Configuration
 - Deploy any Addon in 20 minutes

The screenshot displays the AppSource marketplace interface. At the top, there is a navigation bar with links for AppSource, Apps, Partners, List on AppSource, and Blog, along with a 'How it works' button. Below the navigation bar, the main content area shows 'App results (114)' and 'View partner results (35)'. On the left side, there are filters for Products, Categories, and Industries. The main area displays a grid of add-on cards, each with an icon, title, description, and a 'Free trial' button. The cards include: DocumentsCorePack, PowerSearch, ActivityTools, GroupCalendar, TelephoneIntegration, SmartBar, AttachmentExtractor, CRM Picture, CRM Starter Pack, and CRM Word Interface.
